

Surf Groms, Make up Policy

Parents or students to be entitled to organise a Makeup class, you must notify Coolum Surf School at least 2 hours prior to surf lesson start time, if you or your child will be absent due to illness. It is then your responsibility to organise the Make up with the Surf School before the end of the School Term. If you don't turn up for a booked Makeup lesson, you will not be entitled to another one.

If any surf lesson is cancelled by Coolum Surfing School due to dangerous or inappropriate conditions, Coolum Surfing School will always arrange a Makeup class for this cancellation. There is no refund paid for any surf lesson not attended without notification.
